NMIMS, Anil Surendra Modi School of Commerce *Mumbai, IN*
Bachelor of Business Administration; Finance, CGPA: 3.6/4.0 *2019 – 2022*

Work Experience

London Stock Exchange Group (LSEG) *Mumbai, IN*
Business Analyst - Investment Banking *March 2025 – Present*
Spearheaded execution of enhancements across deals products in partnership with senior leadership coupled with developers and quality assurance engineers

- Worked across the **Deals family of products within LSEG Workspace (including SDC Platinum and Screener)**, partnering closely with the Capital Markets Product Owner to deliver aligned front-office workflows and a cohesive user experience
- **Co-shaped a data-first product roadmap (2026)** by assessing data quality, API scalability, and platform dependencies, laying the groundwork for future AI-driven features such as predictive deal insights and contextual search
- **Translated complex investment banking use cases** into well-defined product requirements, shaping epics, user journeys, and acceptance criteria to enable efficient engineering delivery using **JIRA, Lucid chart, and Figma**, enabling precise alignment between technology, product, and front-office stakeholders
- **Drove a 0-to-1 in-app collaboration feature** within the SDC Platinum product, working with the in-house Asset Store team to design and launch a reusable capability that enabled seamless user collaboration and improved engagement
- **Modernized the Corporate Actions Calendar equity offering** by migrating legacy API endpoints to scalable, query-based services, supporting efficient single and composite requests while improving data freshness, performance, and extensibility

TresVista Financial Services *Mumbai, IN*
Research and Investment Analyst *July 2022 – March 2024*
Worked for an American Investment Bank, a Sovereign Wealth Fund and VC firm based in London

Financial modeling and excel analysis:

- Led end-to-end valuation analysis for a **NASDAQ-listed sports equipment company**, constructing DCF and SOTP frameworks alongside market-based benchmarks; **presented valuation conclusions to clients** to assist make informed investment decisions
- Independently structured a **SOTP and LBO analysis** for a **NASDAQ-listed telecommunications company**, stress-testing leverage, capital structure, and exit assumptions; **delivered return sensitivities and feasibility insights to senior stakeholders**
- Owned **quarterly portfolio performance reviews** for a private equity client, developing a firm-wide tracking framework to assess operating trends, valuation drivers, and financial KPIs; **used by senior management for ongoing portfolio oversight**

Research, pitch deck and investment memo:

- Prepared **investment pitch decks** for companies operating in high-growth software segments, including **Cybersecurity and Natural Language Processing (NLP)**, synthesizing market opportunity, competitive positioning, financial performance, and growth drivers
- Authored a detailed **investment memorandum** for a company in the **Digital Out-of-Home (DOOH) advertising** sector, covering industry landscape, business model evaluation, unit economics, financial projections, risks, and investment rationale
- Conducted **deal sourcing and preliminary screening** for potential investment opportunities across the **manufacturing and logistics sectors in India**, performing market research, financial analysis, and strategic fit assessments to support client origination efforts
